

## 4<sup>th</sup> Saturday Walks

### Ford and Charnock Hall

Saturday 28<sup>th</sup> September 2019, 10:30

This is a circular walk of approximately six miles, but with a couple of short cuts if you get tired.

Using mainly footpaths and bridleways with some road walking we start from Ford and head along the Sheffield Country Walk to Geerlane Farm then up towards Lightwood where we curve round to Charnock Hall for lunch in the playground. From here we head back through Ridgeway before dropping down to Ford.

This walk has bits from Sue's walk from Coal Aston in May (especially the lunch stop) and bits from our walk in February; I thought it would be interesting to see how these walks linked up.

**Starting point** is the Ford picnic area car park, postcode is **S12 3YD**, which is behind the Bridge Inn. If approaching from Eckington turn right just after the Bridge Inn – be careful as it is a sharp left hand bend and there may be traffic coming down the hill. If approaching from Ridgeway turn left just before the pub.
