

Tankersley and Thorncliffe Wood - Saturday 24th August 2019

To make it easy for everyone, this walk starts at the same place as the May walk - Wentworth Office Park - **S75 3DP**.

From there we head Southish, dipping into High Green then East, under the motorway for a while before returning through Lower Pilley; a total of just under 6 miles. There are no long climbs or descents on this walk - but there are some short, steep slopes. Mainly firm underfoot (unlike last month), and there are a few shortcuts.
