

## 4<sup>th</sup> Saturday Walks

### Wentworth and Keppel's Column

Saturday 26<sup>th</sup> October, 10:30

This is a circular walk of approximately six and a half miles. Using lanes plus woodland and field paths this route takes us up to Keppel's Column to admire the views and we return past the grand house itself. There are some stiles and some fairly steep climbs (in fact there's not much flat walking at all).

There is one shortcut which cuts off about a mile and the steepest bit of the climb, but it also bypasses Keppel's Column.

**Meet: Churchfield Lane car park, Wentworth, (behind the Church and school)**

**Post Code S62 7TX**
